Service	Charge
Voicemail	$15/ month • charged at local airtime rate (local use) • roaming charges (overseas use) You can access this service while you are in Hong Kong or overseas. When your mobile phone is busy, unanswered, out of coverage or switched off, all incoming calls can be diverted to your mailbox where callers can leave you a message. An SMS will notify you that a message has been left. You can then call the voice mail service to retrieve your message anytime whether you're in Hong Kong or overseas. You will never miss a call again. For retrieving messages through your card:
