Voicemail	HK\$15/month <ul style="list-style-type: none"><li>• charged at local airtime rate (local use)</li><li>• roaming charges (overseas use)</li></ul> <p>You can access this service while you are in Hong Kong or overseas. When your mobile phone is busy, unanswered, out of coverage or switched off, all incoming calls can be diverted to your mailbox where callers can leave you a message. An SMS will notify you that a message has been left. You can then call the voice mail service to retrieve your message anytime whether you're in Hong Kong or overseas. You will never miss a call again.</p> <p>For retrieving messages through your card:</p>

Retrieve voicemail from overseas	*132*138#SEND											

Service	Charge								
Call waiting	<ul style="list-style-type: none"><li>• Free subscription</li><li>• Airtime charge will be incurred for all calls you answer.</li></ul> <p>While engaging in a phone conversation, you can take another incoming call by using our call waiting service. A "beep beep" sound during your conversation indicates another party is calling. You can answer the second call by holding the first line, and then alternate between the two calls by putting each respective party on hold.</p>

Terms and Conditions for these services:

- Prices are subject to change without prior notice.
- The monthly service charges above will be deducted automatically from the SIM card every month. If the SIM card balance is insufficient for charge deduction and/or the SIM card validity is less than 1 month on the monthly renewal day of the subscribed service, the service will be automatically cancelled. Customer is required to top-up the SIM card at \$50 or above and subscribe the service again.
