3. **The Customer shall pay the Company liquidated damages (HK\$50 x remaining months of the Term) upon the occurrence of any of the following events before the expiry of the Term:**

- a) If the Customer changes to a service plan which is not the above Tethering Pack; or
- b) If the Customer changes to PayGo plans; or
- c) If the Customer changes the mobile telephone number / the registered name for the mobile telephone number; or
- d) If the mobile telephone service is terminated/disconnected for whatever reason.

4. **Data Services for Tethering Pack ("Data Services")**

- 4.1 The Customer must use the Data Services with settings [including but not limited to the APN setting (only applicable to data services)] and devices specified by the Company. Customer can check with the Company's front-line staffs for the latest information on setting and devices. If the Customer does not follow this specification in the use of the Data Services, the Company has the right to forthwith suspend / terminate the Data Services without notice. Also the Company has the right to charge the Customer use of the Data Services at the Company's prevailing rate.

- 4.2 The Data Services shall not be used under any one of the following circumstances, including but without limitation (i) using the Data Services in any manner which adversely affects the Company's ability to provide, complete or maintain the level or quality of its network or other services; and (ii) in any manner which is designed to unfairly exploit the usage or to cause loss or damage to the Company such as using the Data Services for commercial purposes or reselling the Data Services.

- 4.3 To ensure the system resources of the Company's telecommunications network ("Network") is equitably allocated amongst users of the Data Services, the Company may monitor the Customer's usage of the Data Services. If the Customer fails to comply with any of the prohibitions specified in Clause 4.1 or Clause 4.2; or upon the occurrence of any one or more of the circumstances specified in Clause 4.1 or Clause 4.2; or if in the reasonable opinion of the Company, the Customer's use of the Data Services is excessive or unreasonable or adversely affects the Company's ability to provide, complete or maintain the level or quality of its Network or other services or to cause loss or damage to the Company, the Company may forthwith take such steps it considers reasonably necessary or appropriate including but not limited to restricting or limiting the throughput or amount of data transferred, suspending or terminating the Data Services to the Customer without notice. The Company also reserves the right to charge the Customer for any excessive usage of the Data Services at a rate specified by the Company.
