+ The Customer should refer to the above "Internet on Mobile Usage Reference" table for the usage and service fee details. The Internet on Mobile service fee does not include the cost of the browser software. Subscription of a 3G service plan is a pre-condition for subscription of Internet on Mobile Service Plans. It covers local (Hong Kong) usage only. Standard roaming data charge applies during roaming.

^ Browsing usage exceed 20MB per day cannot be deducted from Data Price Plans.

~ Other data usage will be charged from the data plan (if any) or at standard data rate, the maximum charge of data plans and standard data rate is \$898 per month.

* Free MB is on a per day basis, and any unused MB cannot be carried over to next day. Cut off time is 00:00 each day.

- The Customer shall not use the Service including but without limitation: (i) in any manner which adversely affects the Company's ability to provide, complete or maintain the level or quality of its network or other services; and (ii) which is designed to unfairly exploit the unlimited usage or to cause loss or damage to the Company such as using the Service for commercial purposes or reselling the Service.
If the Customer is in breach of any of the prohibited use specified above, the Company has the right to forthwith suspend / terminate the Service, or charge the Customer at the Company's prevailing rate for such data usage, without prior notice. This also applies to RSS, Podcast, Internet Radio, Orb, Mobile Email (POP3) and Mobile MSN.
- The Customer must use the Service with settings and devices specified by the Company. Customers can check with the Company's front-line staffs for the latest information for details. If the Customer does not follow this specification in the use of the Service, the Company has the right to forthwith suspend / terminate the Service, or charge the Customer at the Company's prevailing rate for such data usage, without prior notice.
- The Company will determine the most appropriate means of providing the Service including the supported browsers, technology and route of using the Service and may vary any of the means of using the Service at any time without prior notice.
- The Company has the final right in determining the usage calculation method for the above services and reserves the right to change the terms and conditions T&C 06S. Please check the most updated version at www.smartone-vodafone.com.
