iPhone Summer Promotion

SmarTone

1) Offer Terms and Conditions:

- 1.1 Customers must purchase iPhone 6 or iPhone 6 Plus upon subscription of the SuperCare Smartphone Plan.
- 1.2 During the contract period, customers can purchase up to two iPhones (available models must those offered by SmarTone) with HK\$500 discount on the prevailing Recommended Retail Price for each purchase. Recommended Retail Price will be updated from time to time. Please refer to our website for the latest update.
- 1.3 Subscription to this plan does not guarantee availability of any new iPhone as that depends on the rules governing ordering and order fulfillment at the time, as well as the availability of actual stock delivered from Apple which is outside the control of SmarTone. Subscription to this plan only confers the right to a HK\$500 discount on the iPhone model's Recommended Retail Price if customers place the order for new iPhone within the iPhone Summer Promotion contract period.
- 1.4 Upon purchasing the second iPhone, customers are required to trade in the first iPhone ("Trade-in iPhone") previously purchased. The trade-in value is based on the Company's trade-in price on the transaction day and will be offset from the price of the second iPhone. If the trade-in price of the previously Trade-in iPhone is higher than the price of the second purchased iPhone, the balance will be credited to the Customer's account. The Trade-in iPhone must be of original manufacture without any modification and proven in good working condition and operating normally.
- 1.5 The trade-in price will be updated closely with reference to the market price of used handsets in Hong Kong. Please visit our stores for details.
