

SmarTone to Offer iPhone 6s and iPhone 6s Plus in Macau Beginning Friday, October 16

(Macau — October 16, 2015) — SmarTone today announced it will offer iPhone 6s and iPhone 6s Plus, the most advanced iPhones ever, beginning Friday, October 16. iPhone 6s 16GB will be available starting at MOP 0 on a 24-month iPhone Price Plan and iPhone 6s Plus 16GB will also be available starting at MOP 280 on a 24-month iPhone Price Plan. iPhone 6s and iPhone 6s Plus customers will love our reliable 3G network and will be able to take full advantage of our upcoming 4G network with incredible data speed improvements.

iPhone 6s and iPhone 6s Plus bring a powerful new dimension to iPhone's revolutionary Multi-Touch interface with 3D Touch, which senses how deeply you press the display, letting you do all kinds of essential things more quickly and simply. The new iPhones introduce Live Photos, which bring still images to life, transforming instants frozen in time into unforgettable living memories. Live Photos, 3D Touch, 12-megapixel iSight camera, 5-megapixel FaceTime HD camera with Retina Flash and more are powered by the Apple-designed A9 chip, the most advanced chip ever in a smartphone, delivering faster performance and great battery life. iPhone 6s and iPhone 6s Plus are designed from the strongest glass on any smartphone and 7000 series aluminum the same alloy used in the aerospace industry, in gorgeous metallic finishes that now include rose gold.

“SmarTone is proud to offer an unbeatable combination. The extraordinary iPhone 6s and iPhone 6s Plus, our superior network and outstanding customer care,” said Patrick Chan, CEO, SmarTone Macau. “This will create an unparalleled experience for
