

T&C-I026 (Terms & Conditions for Prepaid Travel Data Card / Prepaid Travel Data eSIM)

Smartone

The following terms and conditions are supplemental to the Sales and Services Agreement and the Company's Terms and Conditions for Mobile Telephone Service (please refer to T&C01 published at smartone.com)

- 1) Prepaid Travel Data Card / Prepaid Travel Data eSIM ("the Card") will be automatically activated once data has been used upon roaming.
- 2) The Card must be used before the specified expiry date, otherwise the Card will be deactivated automatically.
- 3) A day for the Card is defined as 00:00 to 23:59 Hong Kong time. For time less than 24 hours, it will be rounded up to one day for computation purposes.
- 4) Validity period of the Card begins from activation date to 23:59 (Hong Kong time) of the specified end day of the Card.
- 5) The Card supports roaming data service only. Voice, SMS and others services are not available.
- 6) The Customer must use the Card with settings (including but not limited to the APN setting), network and devices specified by the Company. The use of 4G is only available with compatible devices and SIM cards on 4G roaming networks. The Customer can check with the Company's front-line staff for the latest information on settings and devices. If the Customer does not follow this specification in the use of the Data Services, the Company has the right to forthwith suspend/terminate the Data Services without notice.
- 7) All mobile data usage consumed via designated operators during the validity period of the Card will be deducted from the Card (if applicable). The Card will be deactivated after the data has been used up.
- 8) Actual data transmission speed may vary due to many factors, including but not limited to, network traffic conditions, handset models, handset settings (both hardware and software), uploaded/downloaded content and other external factors.
- 9) The Card is not applicable for usage on peer-to-peer applications (P2P), FTP file sharing and webcam applications. If usage is incurred from or by P2P including applications such as (but not limited to) BitTorrent, eDonKey, FlashGet, Foxy, WinMX, PPLive and PPStream; FTP file sharing; or webcam applications or if there is any abusive or abnormal usage; the Company has the right to forthwith suspend/terminate the card without notice. All commercial or illegal promotion activities via the use of the Card shall be prohibited. Updated on 15/01/2016 Page 2 of 2
- 10) Calculation of data usage duration and volume is based on the network report of the Company. In case of dispute, the call data recorded in Company's system shall be conclusive evidence of data usage of the Card.

- 11) No refund applies to the Card after sales. If the Customer loses the Card, the Company will not replace a new one.
- 12) The Card is for one-off use only. Top-up is not applicable.
- 13) When the Card has expired or data service has been terminated due to whatever reasons, the remaining data usage will be forfeited and non-refundable.
- 14) (Applicable to eSIM only) The eSIM cannot be installed to other device once activated.
- 15) The Company reserves the right at anytime to vary, modify, delete any and all of the terms and conditions contained herein. For the latest terms and conditions, please refer to SmarTone's website.
- 16) Privacy Policy The Company has implemented a Privacy Policy that covers how it collects, uses, discloses, transfers and stores customer information. Please visit smartone.com/privacypolicyen for full details of the Company's Privacy Policy.
