

Pricing Scheme Of The Additional Voice Minutes

When the entitlement of voice minutes under service plan of that particular month is all consumed, additional voice minutes usage will be charged in accordance with the chart as shown below, until the next bill month. Call duration is rounded up to full charge units for computation purposes. Each full charge unit is based on a per minute airtime charge. Subject to relevant terms and conditions.

The pricing scheme of the additional voice minutes under designated Service Plans:

Additional voice minutes usage	Charge (HK\$)
1 - 140	HK\$0.9/min
141 - 2,000	Additional charge is not required
2,001 - 2,140	HK\$0.9/min
2,141 - 4,000	Additional charge is not required
4,001 - 4,140	HK\$0.9/min
4,141 - 6,000	Additional charge is not required
6,001 - 6,140	HK\$0.9/min
6,141 - 8,000	Additional charge is not required
8,001 - 8,140	HK\$0.9/min
8,141 - 10,000	Additional charge is not required
10,001 or above	HK\$0.9/min
