

## **Terms & Conditions T&C-V164**

### **Terms & Conditions for Designated Data Waiving for Selected Disney+ Customers**

**SmarTone**

1. From now to December 31, 2025 or any other date SmarTone may specify (whichever is earlier) (both dates inclusive) ("Offer Period"), any customer ("Customer") who uses his/her active SmarTone mobile service plan and/or Home 5G Broadband monthly service plan (collectively, "Service Plans") and has subscribed to any Disney+ plan through SmarTone Mobile Communications Limited ("SmarTone"), shall enjoy the Offer (see below definition) until the end of the Offer Period. When Customers incur any local data usage under any Service Plan while using the Disney+ App or browsing the Disney+ website, such local data usage shall not be deducted from the data entitlement of their relevant service plan ("Offer"). The Offer does not cover the following local data usage: any data usage required for downloading the Disney+ App, updating the Disney+ App, the Disney+ App's analytics purposes and in-app location services under the Disney+ App, or any other usage that SmarTone may designate from time to time without prior notice.
2. During the Offer Period, the monthly fee of HK\$38 for the Offer shall be waived, and no additional monthly fee will be charged to the Customers. Thereafter, the Offer shall be automatically cancelled without further notice.
3. Any other applicable terms and conditions governing the Service Plans to the Customers shall continue to apply, including without limitation, any fair usage policy, speed limit, data connectivity, top-up options and roaming data charge (as applicable).
4. SmarTone reserves the right to suspend and/or terminate this Offer and/or revise the Terms and Conditions of the Offer at any time without prior notice. By continuing to use the Service Plan(s), the Customer agrees that the amended and restated terms and conditions will apply to him/her. In case of any dispute, the decision of SmarTone shall be final. SmarTone shall not be held liable for any matters arising thereunder.
5. Disney+ is a digital entertainment subscription service provided and operated by The Walt Disney Company (Hong Kong) Limited, subject to relevant terms and conditions.
6. In case of any inconsistency between the English version and the Chinese version, the English version shall prevail.
