

SmarTone Home 5G Broadband Service Plan

The offer applies to selected customers registering the designated SmarTone Home 5G Broadband service plan at a designated residential address for a designated contract subscription. The above monthly fee is based on the original service plan monthly fee after designated rebate has been credited to the customer. The plan includes unlimited 5G data. Subjected to FUP (Fair Usage Policy). For details, please visit https://www.smartone.com/other/english/TC_WB007A.pdf. In case particular spots where the 5G network are not available, we will continue to provide the service through 4G network. Internet experience can vary due to factors such as the relative position between user and the base stations, the download server resources, Internet traffic conditions, the number of users, users' devices and other factors that may arise. Trial & Return Guarantee period is not eligible for this promotion plans. Charges paid in advance are non-refundable. At the end of the contract, the customer will be charged at the prevailing plan price if the customer continues to use the service. Our Company reserves the right of final decision relating to the promotion and any dispute thereof, and may change the Terms and Conditions without prior notice.
